

What Our Clients Say about Us

★★★★★

"Paraic started a transformation in me that I never expected, in the way I think about business, think about life, and how to have a solution based focus."

- Kieran Callaghan, CEO of Callaghan Electrical

"Paraic is a great asset to any company wishing to change their marketing focus and increase their turnover - **in any climate.**"

- Keith Nolan, Owner of Athlone Printing

Expert Guidance for

Owner-Led Business Turnarounds and Restructuring

We specialize in turning around owner-led businesses, restoring cash control and clarity when growth stagnates and complexities rise.

About Us

Trusted Partner for Owner-Led Businesses in Crisis

Paraic Bergin is a premium restructuring and turnaround advisor dedicated to helping owner-led businesses regain control. With a focus on cash management, profit recovery, and clarity in decision-making, Paraic takes a hands-on approach to complex challenges.

Our services include restructuring mandates, turnaround execution advisory, and financial oversight, all tailored to support business leaders. With years of experience and a track record of success, we are recognized for delivering high-impact results in challenging situations.

We specialize in revitalizing businesses under pressure, ensuring clarity and accountability

for lasting performance improvements.
